

Employee Training and Development rule adopted

Enterprise Services has adopted an Employee Training and Development rule, which changes a requirement (WAC 200-600-030) that agencies report to the Department of Enterprise (DES) services their compliance with sexual harassment awareness and prevention training requirements under WAC 357-34-100 and 357-34-105.

WAC 200-600-030 was written in a time of paper transactions and is no longer needed because a system is in place that automatically captures relevant state agency training information. This rule change allows for automatic reporting through the [Learning Management System](#) (LMS), which is managed by DES.

The CR-103 has been filed with the Office of the Code Reviser. The new rule will take effect on Nov. 16, 2014.

Please see [Employee Training and Development](#) on the Enterprise Services [rule making page](#) for more information.

If you have questions, please contact [Jack Zeigler](#), Policy and Rules Manager, (360) 407-9209.
